of Anthony

of Scene of Injury

Module 3

Key to Activity 3-B (side 2): Assessing the Injured Child—*For Trainer Only*

- Conscious, alert, responsive
 - Lying on left side, holding right arm, screaming, and crying
 - Right forearm slightly twisted
 - Bloody scrapes and dirt on right hand and elbow
 - Blood on shirt
 - No sign of head injury
 - No sign of injury to chest, back, abdomen, left arm, or legs
-

- 5½ foot climbing structure
 - Anthony lying at base of fire pole
 - Wood mulch pushed away from the base of the fire pole, leaving bare hard-packed dirt underneath
-
